4. TERMS:

Our normal terms are "FOB Shipping Point". We will pay all Transportation cost from the shipping point.

Exceptions are:

- Not using our designated Carriers/Forwarder Broker
- Past due orders. Supplier will have to pay for all Airfreight or Exclusive Trucks Cost.
- Special terms as specified on the Purchase Order/Contract or by the Transportation Department.

5. DUE DATE

THE DUE DATE on the purchase order and on the shipping release is the **DATE DUE AT BOSCH**, not a ship date.

For transit times see the individual sections.

6. PREMIUM FREIGHT APPROVAL (PTA).

- a) All premium freight to be paid by BOSCH, will need a BOSCH issued Premium Transportation Authorization (PTA).
- b) The PTA number will be issued by the BOSCH Traffic representative and/or Expediter.
- c) The PTA number must be on the Bill of Lading and the Invoice.
- d) Premium freight shipments at supplier expense do not need a PTA number.

7. COMMERCIAL INVOICE:

Domestic and International Invoices:

- a) The **Part Description** must be in English exactly as in the **Purchase Order**.
- b) Our **Purchase Order/Contract Number** and our **Part Number** must be clearly visible.
- c) State gross and net weight.
- d) The Country of Origin must be on the Invoice.

e) The "**SHIP TO**" address must be clearly visible.

International Invoices must also include:

- f) Harmonized number (Duty Code) for every position.
- g) Separate price for every position, specifying currency.
- h) Kilowatt rating for Electric Motors.
- i) Return shipment of repairs must show the value of the part and cost of repair, including repair material.

8. COUNTRY SPECIFIC ROUTINGS

We are sending you Country Specific Routing information for El Paso, USA, Canada, Europe, Asia, Australia and all other countries.

- h) Kilowatt rating for Electric Motors.
- i) Return shipment of repairs must show the value of the part and cost of repair, including repair material.

6. MARKING AND LABELING

All pallets, boxes and or containers must be labelled per the standard AIAG. The standard AIAG 4" x 6" label must contain the following information:

Minimum requirement on left side of label

Bosch Part #
 Qty
 Supplier #
 P.O. #
 Serial # (will be required by 2003)
 Packing list number or invoice number

Additional info for right side of label

Ship from (is also acceptable across bottom of label)
 Ship to
 Date code / date of shipment
 Description
 Country of origin
 Box count (should reflect the box # out of total)

The bar code labels should be located on 2 adjacent sides of each container or box. When facing the container the labels should be on the right side.
